NORTH STREET SUPPLY

# ABOUT US

---

## OUR WHY

We are wildly passionate about turning ideas and concepts into beautiful furniture pieces that help you bring your vision to life.

We've built our career serving the hospitality industry because it is focused on creating experiences and memories.. It is those special moments that live with you forever and we are grateful to play a role in your story.

Like the memories that you seek to create, It is our mission to create products that last a lifetime. We are committed to making well designed and quality products available to all with functionality and affordability

Let's build something memorable together.
